- _____
- _____
- _____

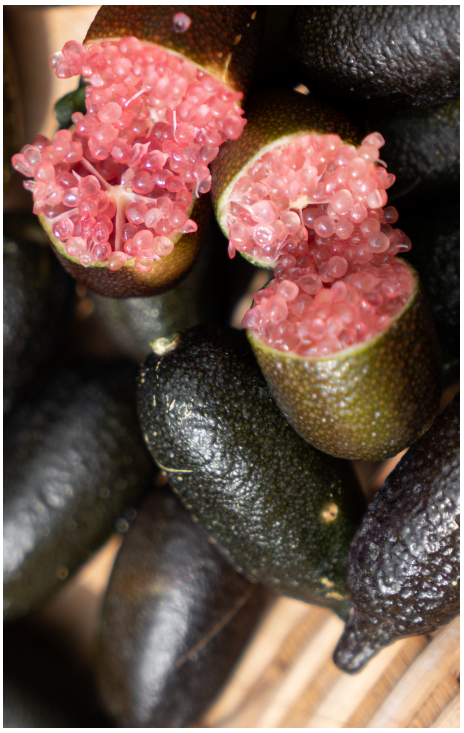
The colour of **fingerlimes** when they are ready to harvest



**Fingerlimes** are used in :

Features of **Fingerlimes** are:

Outcomes: VCSSU074, VCSSU075, VCDSTC035

# Farmer Jade : Focus on Fingerlimes

**Challenge:**

Fingerlimes are native to Australia and have been a traditional food for Aboriginal people in South East Queensland and New South Wales for thousands of years.

Conduct your own research to find out what other traditional foods are grown in Australia.

Outcomes: VCSSU074, VCSSU075, VCDSTC035
