

# Farmer Danyel

## Overview:

Farmer Danyel lives in Werribee, Victoria. She is an egg farmer and works with her family on the farm.

Farmer Danyel is very special because she also helps farmers, teachers and children in Victoria learn about why making food and fibre is so important.

Farmer Danyel has lots of chickens on her farm. They have beautiful red combs on the tops of their heads and very white feathers. She checks on her chickens morning and night. She makes sure they have all the food and water they need to grow and be healthy.

Farmer Danyel will tell you about how long it takes a chicken to produce one egg and how many eggs are produced on her farm in one week.

## Key Terms:

Banda White Tint birds, 25 000 chickens, 26 hours, 150 000 eggs per week.
