Variation in different breeds of the same species.

Produce It.
Protect It.
VIC FarmerTime

Design Challenge:

Can you use different fibres from around your house to create TWO farm animals of different breeds of the same species? Make a list of the similarities and differences between both breeds.

Similar	Different
Four legs	Large horns/ no horns
Tail	Different colours & markings
Hooves	Long hair/ short hair

Check out the following slides for some inspiration!

Variation in sheep breeds.

Variation in cattle breeds.

Variation in chicken breeds.
